The Society of Energy Professionals

Pensioners' Chapter

**We Invite
You*
To Join**

- To help us protect your benefits and your pension.
- To make us a more effective organization (more people - more strength).
- To save more than the cost of your fees through affinity programs.

Chapter President's Message:

"If you are retired or will be soon, please join and get involved. We are working hard to protect your rights e.g. CFP. Affinity programs also generate lots of cost saving opportunities."

David Jefford

Pensioners' Chapter Application Form

Company retired from (affiliation):

Member ___ or Associate Member ___

Purpose of Chapter

- Represent pensioners' issues (e.g. Health and Dental Benefits & Pension Security).
- Keep pensioners informed on matters of interest.
- Co-ordinate with other pension groups on broader pensioner issues (strength in numbers) e.g. member of CURC and Canadian Federation of Pensioners (CFP) (www.pensioners.ca).

Who Can Join

If you are retired as a Society-represented employee or as their spouse receiving benefits you can become a **Member**.

If you were a Society-presented employee but left in a Management Function or other management position you can become an **Associate Member**.

Highlights of What Pensioners' Chapter is Accomplishing

- Representing Members at Society Board.
- Input to Society bargaining regarding future changes in benefits.
- Reaffirmed that The Society is there to protect pensioners' rights.
- Monitoring pension activities in each company.
- Addressing individual member inquiries about benefits and helping them contact the right person.
- Joined Canadian Federation of Pensioners and Congress of Union Retirees of Canada
- Keeping members informed.
